

## **NOTICE**

Any party may obtain a review of the magistrate judge's above proposed determination pursuant to Rule **72.3**, M.D.PA, which provides:

### **72.3 REVIEW OF REPORTS AND RECOMMENDATIONS OF MAGISTRATE JUDGES ADDRESSING CASE DISPOSITIVE MOTIONS**

Any party may object to a magistrate judge's proposed findings, recommendations or report addressing a motion or matter described in 28 U.S.C. § 636(b)(1)(B) or making a recommendation for the disposition of a prisoner case or a habeas corpus petition within **fourteen (14) days** after being served with a copy thereof. Such party shall file with the clerk of court, and serve on the magistrate judge and all parties, written objections which shall specifically identify the portions of the proposed findings, recommendations or report to which objection is made and the basis for such objections. The briefing requirements set forth in Local Rule 72.2 shall apply. A judge shall make a *de novo* determination of those portions of the report or specified proposed findings or recommendations to which objection is made and may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate judge. The judge, however, need not conduct a new hearing only in his or her discretion or where required by law, and may consider the record developed before the magistrate judge, making his or her own determination on the basis of that record. The judge may also receive further evidence, recall witnesses or recommit the matter to the magistrate judge with instructions.
